

KTN Conflict Minerals Company Policy

It is the Policy of Kawasaki Tennessee, Inc. to comply with all requirements of the Wall Street Reform and Consumer Protection Act (H.R. 4173) as related to “Conflict Minerals”. With this recognition, we the need to end the illegal extraction and trade of natural resources, and the associated human rights violations, conflict and environmental degradation, which results from this trade. We are taking action to increase transparency, ensure responsible procurement, and drive positive change in this area.

KTN Conflict Minerals Mission Statement

Kawasaki Tennessee, Inc. is committed to procurement and usage of materials that do not originate in areas identified in H.R. 4173 Wall Street Reform and Consumer Protection Act as related to (Conflict Minerals). We have implemented concrete measures to identify such procurement and usage. We will take proper actions to resource such materials if usage is detected. In addition, we ask our suppliers to make the same effort regarding the issue of conflict minerals.
